

Good is Great!

COPPER CORRIDOR CAMPUS

Our newly remodeled Cafe' is complete and going strong! Each week people get to enjoy an espresso coffee or

speciality drink, to fill their tummies and warm their hearts. It's through your faithful giving, and the faithful labor of many volunteers, that the people from the Copper Corridor can come to hear the gospel preached and

enjoy some java. This year we will continue to make an investment from our R1K offering to the Copper Corridor Campus to make it a blessing for all who come.

Life change happens one person at a time!

Exciting things happen when we allow the work of God to be embraced in our midst.

We're so blessed to see all the new people walk through the doors every week. We're even more excited to see them connect to Jesus through our Sunday Worship Experience.

Many of these individuals are taking the important next step of baptism. We had thirty-one baptisms in 2023; twenty-seven at the Oracle Campus and four at the Copper Corridor Campus. For this we can all say, "GO GOD!" We understand that true life change is happening when people are getting saved and baptized!

The transforming power of the Word of God!

Our theme for 2023 was "Truth." As you know, we live in a world that is redefining truth that was once held as absolute. Marriage, gender, and family, to name a few, are some of the important topics that

have been changed in the name of "Relative Truth." At Living Word Chapel, we have made it our goal to lead people to the absolute truth of God's Word. It's God's Word that keeps us grounded in God's Truth.

Some of our sermon series this past year testify to this. Here is a short recap:

1. The TRUTH of Marriage
2. The Colossians Series (A TRUE Hope)
3. The TRUTH of Serving
4. Coming in December (The TRUTH about Christmas)

It's through your generosity that we are able to teach and preach the Gospel of Jesus Christ to all who attend in person, or watch and/or listen online.

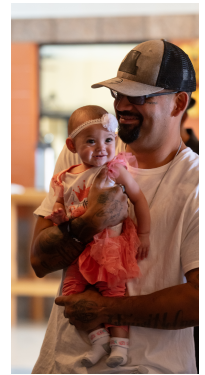

2023 RealMen Retreat

We had over 50 Men go to Alpine AZ to this year's Men's Retreat! The theme was: "Making Men... Men Again!" Jesus did some amazing things in every one of the guys who went up the mountain to meet with God!

EVERY PERSON MATTERS

The foot at the cross of Jesus welcomes people from all walks of life. Every person is important to God!

It is such a blessing to minister to young and old, men and women, and a complete diversity of ethnicities and social classes. The body of Christ is beautiful, and it's great to see what Jesus is doing at LWC. Thanks for your generosity and prayers!

2023 Woman's Retreat

There were 60 women who attended the "Reaching New Heights!" Women's Retreat, in beautiful Alpine AZ! God did amazing things...
